Something different is coming! In the coming months we are seeking to purchase and install some new technology. We will be purchasing a projector, screen and laptop computer to facilitate better communication and enhance worship and special services. When fully operational, we will be using this technology on a weekly basis. We will be able to utilize "PowerPoint" materials, project scripture lesson texts, music lyrics, and have the potential to use this technology for other uses. These items, when used properly, will catapult us into the 21st century, and enhance our church services.

Quiet activity bags are available for children age one through first grade. The bags are in the foyer under the telephone. Please return the bag after service.

Love and Prayers to Mike Leden, Mary Kissack, Roger Remer, Arleene Meyers and Aiden Doner

Our Sympathies to Doty Schelm, the Lovette family and Clyde Grover.
